Amplify Unity

About Texas Children's Hospital

- Consistently ranked the best children's hospital in Texas and the best place in the country for children in need of pediatric cardiology and heart surgery care.
- Known worldwide for expertise in pediatric and women's health.
- Three hospitals across the Greater Houston area and Austin opening in 2024, we are steadily expanding our care to communities that need it most.
- We've broken boundaries and reached new milestones since 1954. Our volunteers are behind our every success – fueling our mission while advancing the patient care experience. [See how we've grown!](#)

Volunteer Opportunities

We have an array of volunteer opportunities including various non-medical activities that support the needs of patients, families, visitors, and staff.

A volunteer's primary role is to provide a positive patient experience while engaging in play opportunities, and other tasks contributing to the comfort and care of those we serve.

Short-term volunteer experiences, shadowing, internships, and observation opportunities are not offered through Volunteer Services.

Volunteer Expectations

- Treat volunteer placement with the same respect you would treat a job
- Exhibit the same high standards of behavior that is expected from the staff
- Perform exceptional customer service
- Always be respectful both in actions and in words
- Display an overall positive body language
- Always create an environment that is respectful of differences

Volunteer Commitment

Our patients, families and staff depend on our volunteers. Volunteers greatly impact our patient experience. Fulfilling your commitment to our program is integral to our everyday hospital operations.
